(1) Concept:	A totally new, futunstic approach to amusements and recreation that allows a high degree of participatory involvement by players in a fast, fantasy-based, life sized contest of wiles, wits and physical skills on an imaginary planet called Photon
(2) Objective of playing the Photon game:	Playing egainst the clock, each Photon Warrior's objective is to score as many points as possible. Points are scored by hitting members of the opposing team's base goal Points are lost by being disrupted by an opponent or by shooting someone on your own team.
(3) Source of Photon:	The word "photon" is a scientific name referring to particles of light.
